A VALUABLE Medical Discovery

BERTHAND, who had been occupied in sick rooms and with the care of sick people, for over fifty years. It is made purely and entirely of Plants, Horbs and Roots, and is exceedingly agreeable and pleasant to both the taste and smell, being warm, aromatic and spicy. It is a most thorough purge, cleaning out the bowels without pain, and without names or sickening. It does not weaken, and leaves the system open and free, never drying up the bowels afterwards, as every other purgo that we know of does. It can be given to infants and invalids with safety, and in every case of old or young, it is guaranteed to cure the worst cases of constipation, indiges tion, and all diseases that affect the stomach and bowels. It is, moreover, a powerful stimulator and INVIGORATOR OF THE LIVER. No other purifier does this; with all of them the patient must take pills, or some other equally cons dose of physic, or if they do not, the person ins in the system, and goes back into the blood. REUTER'S LIFE SYRUP is exceeding! pleasant to take, needs no second dose to purge the bowels, and does all the work required to effect com-
